

## NEWSPAPER MEN VISIT SALT LAKE

Washington Correspondents en Route to Boise Spend Three Hours in Zion.

Nine Washington correspondents, representing some of the largest newspapers and news associations in the country, spent about three hours in Salt Lake yesterday afternoon, and left in the evening with the Utah delegation to attend the National Irrigation congress at Boise, Idaho.

In the party were Harry J. Brown of the Portland Oregonian, Ira E. Bennett of the San Francisco Chronicle, James H. Hays, Jr. of the Washington Times, M. H. Thorpe of Forestry and Irrigation, H. W. Schulz of the Little Rock (Ark.) Gazette, Raymond W. Pullman of the Washington Post, H. B. Nesbitt of the Pittsburg Press, Charles E. Smith of the Associated Press and H. Gilson Gardner of the Newspaper Enterprise association. The bringing of the party to Salt Lake by the Washington correspondents to the west was the idea of Senator Fred T. Dubois of Idaho, who first suggested the idea of the party, and most of them will spend some time in the west after the congress is over.

They arrived at 4:15 on the Los Angeles limited, being delayed nearly an hour by a wreck ahead of them. They were met by Senator Dubois, who arranged for them to be taken to the hotel, and then to the office of the newspaper men. With him were Dr. E. H. Burley and Dr. S. Spencer, general passenger agent and assistant general passenger agent of the Oregon Short Line; representatives of the Salt Lake Press club and Postmaster J. H. Clove of Provo.

Plotted by Senator Smoot the party went first to the Tabernacle, where Organist J. J. McClellan had waited for them after the regular afternoon service. President John R. Winder was also there to greet the visitors. Mr. McClellan gave a recital, and when it was over the correspondents were introduced to him. He explained to them the workings of the famous organ, and related its history. Mr. Spencer had telephoned asking the Salt Lake management to hold its 6 o'clock train for fifteen minutes, so that the correspondents could be taken to the lake. The management promised to do so, but when the party arrived at the Salt Lake depot at 6:15 it was found that, by order of Manager J. E. Langford, the train had been held until 6:30, and that it then departed without the correspondents.

Senator Smoot then invited the entire party to be his guests at dinner at the Commercial club, and the invitation was accepted. The party then went to the hotel, where they were met by Mr. Hays, Jr., who took them to the hotel. The newspaper party is in the west to study irrigation, both government and private. They will visit the various irrigation projects and will also attend to the various political and social matters of interest to their eastern and other readers. Mr. Bennett expects to go to Mexico, Mr. Brown to Canada, Mr. Gardner to California and Arizona and other members will be similar. The party is a new one, and the newspaper men are interested in the presidential situation, which has been accentuated by the Bryan return, but most of the correspondents are interested in the various political forecasts, and are rather shy of making predictions as to the outcome of the race in 1908.

## JUDGE KING IN PARADE.

He is Accorded Unusual Honor at the Bryan Reception.

Judge William H. King of Salt Lake was one of those accorded the honor of riding in the parade at the Bryan reception in New York last Thursday. There were only about twenty carriages in the parade, and those who rode were the chosen few. King rode in the thousands who flocked to New York to see the distinguished Nebraska leader. Judge King attended the reception in his capacity of Utah's member of the Democratic congressional committee.

I will not be responsible for any debts contracted by my wife, Mrs. Sadie Wisner, after this date.

## EXCURSION TO GARFIELD

Fifteen Hundred People Are Taken to See Big Smelter on Lake.

Fifteen hundred persons went to Garfield yesterday afternoon on the Salt Lake Real Estate association's excursion. Two trainloads were taken out to the smelter town, the trains leaving Salt Lake at 2 o'clock and 3 o'clock and returning at 5:30 p. m.

Two turnouts were being tested in the smelter and the excursionists saw them running at full blast. They were taken through the plant by employees. Several merchants visited the townsite with intentions to buy some property there to establish branch stores.

This is the first of a series of excursions to be given the smelter town by the Real Estate association. The officers of the association were most pleased with its success, and arrangements will be made special features for the next excursion.

THE UTAH LITHOGRAPHING COMPANY

LABOR DAY AT SALT LAKE.

Last day of the season. Thirty trains. Forty-five minute service. Matchless bathing. Good music, fine dancing.

TERMS AT ALL HOLLOWES.

To the Salt Lake Herald.

There seems to be in the minds of some Salt Lake people who desire to send their children to All Hollowes college, a misunderstanding regarding the charges for day pupils attending the school.

To correct this misunderstanding, and to encourage parents to give their sons the benefit of the college training which we think speaks for itself, and appeals to those acquainted with it as the very best of all, I wish to make known the real state of the case in regard to our annual tuition fees.

Our school year is divided into two seasons of five months each. We have three scales of charges. Pupils in the junior classes pay \$10 for each session or \$20 a year. Those in the academic classes \$15 for each session, or \$30 a year, and those in the higher classes, whether commercial, classical or scientific, \$20 per session, or \$40 a year.

These respective charges cover all expenses for the session, for day pupils, with the exception of their class books, which are furnished at current prices.

In the commercial department there is a nominal charge for the use of the typewriters which are furnished and kept in repair by the college, but no extra charge is made for stenography, German, French or Spanish.

The chemicals used in connection with the scientific courses are at the expense of the pupil, and likewise the various kinds of music taught here.

The gymnasium course is optional, but the benefit of two classes a week under a skilled trainer may be had by pupils for \$5 a session or \$10 a year. I felt this explanation was due to those who have been misinformed regarding our charges here.

Boards pay \$15 for each session. Music and the gymnasium course are extra.

From parents who would still hesitate about facing even these moderate expenses, we simply ask a trial for a year or two, and we are willing to let them decide whether their money was wisely expended or not.

If the training which we give here in the various lines of work, and the attention which we bestow on pupils, individually and collectively, are not worth in the estimation of the people an annual outlay of the above extent, then we are forced to conclude that it is because the people do not realize what is being done here for students by a devoted faculty. College resumes studies Wednesday morning at 9 o'clock.

## GAINED 34 POUNDS

Persistent Anemia Cured by Dr. Williams' Pink Pills After Other Remedies Had Failed.

"When I began taking Dr. Williams' Pink Pills," says Mrs. Nathaniel Field, of St. Albans, Somerset county, Maine, "I was the palest, most bloodless person you could imagine. My tongue and gums were colorless and my fingers and ears were like wax. I had two doctors and they pronounced my trouble anemia. I had spells of vomiting, could not eat, in fact, did not dare to, I had such distress after eating. My stomach was filled with gas which caused me awful agony. The backache I suffered was at times almost unbearable and the least exertion made my heart beat so fast that I could hardly breathe. But the worst of all was the splitting neuralgia headache which never left me for seven weeks. About this time I had several numb spells. My limbs would be cold and without any feeling and the most deadly sensations would come over me."

"Nothing had helped me until I began taking Dr. Williams' Pink Pills, in fact, I had grown worse every day. After I had taken the pills a short time I could see that they were benefiting me and one morning I awoke entirely free from pain. The distress after eating disappeared and in three weeks I could eat anything I wanted and suffer no inconvenience. I also slept soundly. I have taken several boxes of the pills and have gained in weight from 120 to 154 pounds and am perfectly well now."

Dr. Williams' Pink Pills cure anemia because they actually build up the blood. For rheumatism, indigestion, nervous headaches and many forms of weakness, they are recommended even if ordinary medicines have failed. They are sold by all druggists, or will be sent postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

## STRIKE GOES TO A FINISH

Salt Lake, Sept. 2.—There was no change today in the street railway strike. No attempt was made by the United Railroads to operate cars. Prospects for an early settlement of the strike are growing less, as neither side to the controversy seem inclined to make any further concessions. Six hundred men were brought into the city by the United Railroads this morning between 2 and 3 o'clock. The men have been held at near-by points for a favorable opportunity to bring them into the city. The knowledge of the strikers' pickets. These men, it is asserted, are not motormen, but construction men. President Calhoun of the United Railroads, said tonight that the benefit of the strike was being done by the motormen. He expected to be able to start the cars some time this week.

Referring to a city ordinance that motormen must have one week's training before being permitted to run cars, President Calhoun said that it would not be regarded.

FAIRBANKS SKIPS ZION

Vice President Goes Direct to Boise, Via Green River and Pocatello.

Vice-President Charles W. Fairbanks didn't come to Salt Lake yesterday as advertised. Salt Lake had a suspicion that he had headed in some other direction when they let him up and found the sun shining. The officials of the Oregon Short Line expected him, and during the day Dr. E. H. Burley, general passenger agent of the road, sent a telegram to the Washington correspondents who were known to be heading toward Zion, asking Fairbanks was with them. "It was the answer," Fairbanks is not with us. We have struck lower temperature, however, and suspect that he is in this vicinity."

After much inquiry it was ascertained that Mr. Fairbanks had been switched over the Oregon Short Line at Green River, Wyo., direct for Boise via Pocatello. A number of members of the commercial club met both the Overland limited and the Los Angeles limited, expecting that the vice-president would be on one of them, but he wasn't. Had he arrived he would have been entertained informally by the club. The club delegates to the Irrigation congress will try to induce him to return this way.

AMUSEMENTS

The seat sale for "The Old Bedstead," to be presented next Thursday evening by the Press club, at the Salt Lake theater, will begin at 10 o'clock Tuesday morning. The outlook is that a long line will await the opening of the box office. The show will be seen one night only, and is of a character that people will regret to miss. It is expected many will be turned away Thursday night.

Wilfred Clarke, a comedian of no mean merit, again heads the bill at the Orpheum this week with his capital little comedienne, a little farce from the French entitled, "No More Trouble." The situations are said to be darning and funny. Miss Thelma Carey, a beautiful young woman with extraordinary control of body and limb, also appears. The other features on the new bill are declared to be in keeping with the pace set at the Orpheum this season.

The Zinn Travesty company, which has on numerous occasions more than tested the seating capacity of the Larrie theater, begins its farewell week tonight with a repetition of "Teeny Weeny," interspersed with the latest popular songs and hits. For the last two nights of the engagement, Thursday and Friday, "The Jolly Musketiers" will be the bill.

## POSSIBLE DANGER AVOIDED

Trains Carrying Strike Breakers Will Not Reach San Francisco Until Tonight.

The two special trains bearing the Farley strike breakers to San Francisco, which were detained over night at Humboldt, Nev., to prevent their arriving at their destination, the Labor Day, were started from that point at 9 o'clock yesterday morning and will be run on a schedule that will bring them into San Francisco, some time tonight. Humboldt is a small desert town, and the selection of this place in which to hold the train over night was probably made to prevent their terrorizing the inhabitants as they did at other places along the way. The original instructions were to rush the trains through, but this was later changed and a long time. The breakers, including freight trains. It was feared by both the men and those having charge of the train that the strike breakers in San Francisco on Labor Day would cause serious trouble, hence the delay.

Only One Re-elected.

The regular annual reorganization of the Fifth ward was held yesterday. The only one of the old officers retained was President J. J. Lindsey. This organization is held yearly to give all an opportunity to hold office. Those elected yesterday were: first counselor, David Wheelwright; second counselor, Angus Leech; secretary, George Leach; treasurer, John Leach; and librarian, Lawrence Malan; guide teacher, T. A. Shreeve.

Suit for Divorce.

Louise Ellen Andrews has filed a complaint against Charles M. Andrews, in the district court, alleging desertion. The Andrews have been quite prominent in social circles, and the filing of the suit is a surprise. The couple were married in Des Moines, Ia., in 1891. The defendant is well known in railroad circles, and is the son of a prominent engineer. He worked in this capacity, about a year ago.

Death of B. Martinsen.

Bert Martinsen died at his home at Ninth street and Grand avenue yesterday forenoon, aged 60 years. Death was due to tuberculosis, with which he suffered for a long time. Funeral services will be held at the Mound Fort meeting house at 10 o'clock Wednesday morning. Interment will be in the City cemetery.

Little Child Called.

Thelma, the 14-month-old daughter of Mr. and Mrs. Thomas M. Jones, died this morning at the home, 248 West Second street. Funeral services will be held at the Mound Fort meeting house at 10 o'clock Wednesday morning. Interment will be in the City cemetery.

Ogden Briefs.

Miss Kitty Fitzgerald returned yesterday from a week's visit in Spencer, Ida. Mr. and Mrs. T. D. Ryan of Salt Lake are the guests of Dr. and Mrs. M. C. Conroy.

The relief conference of the Weber stake will be held in the Weber stake academy hall Sept. 12.

The young women of the Third ward will be at the Weber stake hall in the amusement hall Sept. 11.

Miss Celeste Conroy, who returned a long time from Ogden, has opened a studio at 325 Fifth street.

Mrs. Dr. Shipp of Salt Lake gave a lecture last night at the State Industrial school yesterday morning, using for her theme "Health."

Edna F. Foster, ward secretary Rosell Bodan was released as second assistant superintendent of the Sunday school and George Truett sustained to fill the vacancy.

The board of appraisers in the matter of the estate of H. Douglas Wise, who died last year, has met in Ogden at \$250.

L. H. Vandervelt of Chicago has been appointed manager of the Reed hotel to fill the vacancy caused by the resignation of A. F. Woods. Prior to coming to Ogden Mr. Vandervelt was with Peabody hotel in Memphis, Tenn.

Mrs. Graham F. Putnam has returned from the east and is receiving pupils at her studio, 109 Fifth East. New pupils desiring good hours should apply early.

Miss Esther Tuckerman Allen has returned to Salt Lake after two years' absence. She is now teaching at the Professor Gustav Hollander, and will receive pupils after Sept. 5 at her studio in Gordon academy. Bell telephone 4392.

A. N. M'KAY IS NAMED.

Managing Editor of The Herald a Delegate to Boise.

A. N. M'Kay, managing editor of The Herald, was yesterday appointed a delegate to the National Irrigation congress, which meets at Boise today. The appointment was made by Governor John C. Cutler, by wire. Mr. M'Kay is in Boise, and will, in addition to acting as a delegate, represent The Herald at the convention.

BOY BUILDING.

Right Food Makes Fine Boys.

Many people have questioned the truthfulness of the statement that the brain can be really nourished and built up from some particular kind of food. Experience is better than any kind of theory.

The wife of a prominent legislator in Kentucky says: "A woman of my acquaintance was in a badly run down condition at the age of thirty. She became a mother, and three months of age the child was a mite of humanity pitiful to look upon, with no more brain development than a monkey."

"About the time I speak of when the child was three months old the mother began feeding him Grape-Nuts."

"In ten days it was plain that a change was taking place and in a few weeks the boy became rosy, healthy and rounded out."

"He is now five years old and his food this entire time has been Grape-Nuts and cream. He seldom ever takes any other kind of food."

"It is a splendid illustration of the fact that selected food can produce results, for this boy is perfectly formed, has a beautiful body and arms and legs of a young athlete, while his head and brain development appears perfect, and he is as bright and intelligent as can be."

"I cannot comprehend a better illustration of the truth of the claim made for Grape-Nuts, that it is a brain and body builder." Name given by Postum Co., Battle Creek, Mich.

## TERRIBLE ITCHING SCALP HUMOR

Badly Affected With Sores and Crusts—Extended Down Behind the Ears—Some Years Later Painful and Itching Pustules Broke Out on Lower Part of Body—Son Also Affected.

## A TRIPLE CURE BY CUTICURA REMEDIES

"About ten years ago my scalp became badly affected with sore and itching humors, crusts, etc., and extending down behind the ears. My hair came out in places also. I was greatly troubled; understood it was eczema. Tried various remedies, so called, without effect. Saw your Cuticura advertisement, and got them at once. Applied them as to directions, etc., and after two weeks, I think, of use, was clear as a whistle."

"I have to state also that late last fall, October and November, 1904, I was suddenly afflicted with a bad eruption, painful and itching pustules over the lower part of the body. I suffered dreadfully. In two months, under the skilful treatment of my doctor, conjoined with Cuticura Soap and Cuticura Ointment, I found myself cured."

"Six years ago my son was laid up with a severe cold, a hard cough, and finally painful eruption all over the body. I procured the Cuticura Remedies as soon as possible, and after his faithful use of same was as well as ever in two weeks, as well as I can recall. He has never had a return of the illness, as far as I know."

"I have always been pleased to commend the Cuticura Remedies, and testify as to their efficacy. I am a veteran of the late Civil War, '61-'65, between seventy and eighty years of age. Yours truly, H. M. F. Weiss, Rosemond, Christian Co., Ill., Aug. 31, 1905."

## AN EXTRAORDINARY PIANO ANNOUNCEMENT

Every Person Who Is at All Interested in the Purchase of an Instrument—Either Piano, Organ or Piano-Player, Upright, Grand or Square, Should Read This Carefully.

## ACT QUICKLY AND RECEIVE BENEFITS

It is a Ten-Day Money-Saving Offer That Is Genuine, Made Over the Name of the Largest and Most Responsible Music House in the West, and Your Benefits Are Guaranteed.

## ON PIANOS OF KNOWN VALUE AND CHARACTER

A Big Sale Will Be Inaugurated at 8:30 Sharp Tuesday Morning September 4, to Carry Out This Money-Saving Plan That Is Offered to the Limited Number of 137 People.

Let us say in the beginning that the moving spirit of this great offer that we are about to make is the fact that we have 137 instruments, consisting of eighty-seven fine upright pianos, five square grand pianos, three small and two large grand pianos, twelve piano players and combination pianos, and players and twenty-eight cabinet organs that we want to, must and will close out in ten days—the extraordinary cut prices and extremely easy terms we will make will do the work.

We have organized a piano club of 137, no more, no less. You are now a member of it if you need a piano. All you have to do is to come and get your piano at the club membership price, which is plainly marked on each instrument, and have it sent right to your home.

We say we have organized a club of 137 people to take these 137 instruments at

Factory Prices and Less.

This is true, because we know as well as we know anything that there are even more than 137 people ready and willing to take these fine instruments quickly, the minute this great offer is known. The club is ready, the people are waiting. The question for you to solve is, will you be one of them? Will you, if you need an instrument, call at the club, and get your piano at the club price, which is plainly marked on each instrument, and have it sent right to your home?

Time Short—Money Saving Big.

The simple truth about this club sale, unlike the usual club schemes, is that we have 137 instruments that we are going to close out, for various reasons, in ten days at less than factory prices, and we take it for granted that the club is formed. The pianos represent the highest type of piano construction, built by the oldest and most reliable piano builders and entire satisfaction is fully guaranteed or your money back on request is the offer we make you.

Best Pianos in the World.

Are in this sale at remarkably reduced prices and on extremely easy terms.

Steinway Grands and Uprights. Kimball Cabinet Grands and Boudoir Uprights.

Voss Grand and Uprights. Estey Grands and Uprights. Everett Grands and Uprights. Knabe Uprights. Schaeffer Uprights. Winter & Co. Uprights. Smith & Barnes Uprights. Story & Clark Uprights.

And numerous other makes, most of which are perfectly new pianos, some are slightly used or rented a short while and some are last year case styles and manufacturers' sample styles.

Many at Nearly Half Price.

They are all—these one hundred and thirty-seven instruments—marked in plain figures, both the original price or regular price and the club sale price. So you can see at a glance the great saving you are to make by

Joining the Throng or Club.

This being the greatest piano offer ever presented in Salt Lake City, we are fully convinced that the opportunity will be taken advantage of quickly, and the pianos will all go in less than ten days.

As to the Club Prices.

We can't begin to quote prices that will convey fully and fairly to your mind what this sale means to you, if you need a piano now or will have to buy one in the next two years. Prices on paper do not mean much to you unless you can see the kind of instruments the prices are being quoted on. So you must
